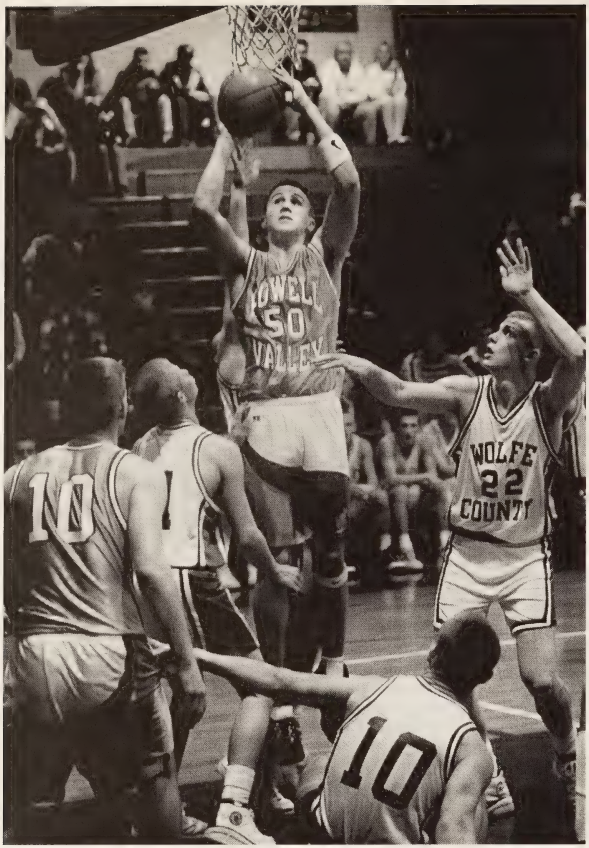
Viking Basketball



Josh Warren goes for the lay-up against Wolfe County.

First year coach Preston Mitchell took on the responsibility of rebuilding a young team. The Vikings lost five starters from last year but under his leadership found a new lineup that was strongly competitive. With other challenging teams in the district, the Vikings used height to their advantage. A new style of offense and pressuring defense were contributing factors to their victorious season. The 1996-97 season was one of learning and gaining experience. Congratulations go out to the team for an outstanding season. Everyone is looking forward to seeing the success continue next year.

Reach For The Stars!

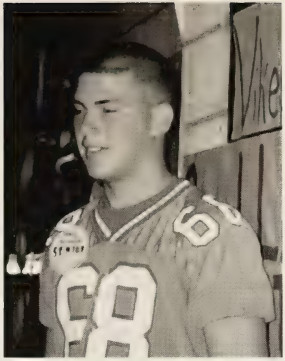
I Y Q

Autumn, you are the special little girl God gave to us one day. You were placed within our arms for us to lead your way. The love we've had for you right from the start, has grown so much that now it completely fills our hearts. And now with the passing of years how you have grown, and we don't underdstand how God has turned our little girl into such a lovely woman. But as much as we love you, as these passing moments flee, we know that as much as we love you, God still loves you more. Always remember this one thing as you open each new door.

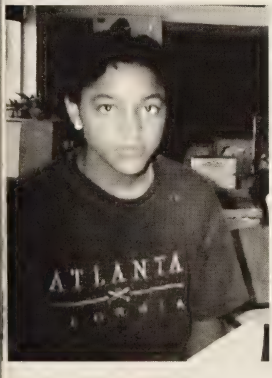
We love you,
Mom, Dad, Vince, & Haleigh

Josh,
Congratulations!
We're proud of you and we love you.

Mom, Dad, Leighann,
Grandmother, Sis, & Uncle Pug



The staff spent many hours working on the computer, creating layouts, selling ads, and cropping pictures. A lot of hard work went into this year's book. After plenty of frustration and planning, the staff hopes this book captures the true memories of the school year. This book is dedicated to the student body, faculty, and administration of Powell Valley High School. A special thanks is also given to Sonny Young for his permission to publish his photography. Even though the work has been hard and the hours long, the seniors on the staff would like to say it has been a memorable experience to have worked on the yearbook. They would also like to say farewell and good luck to next year's staff. The editors, Tonya Clarkston and Jill Baker, hope that you enjoy as well as appreciate all that has gone in to the making of the 40th volume of the Valhalla.



Editors Tonya and Jill

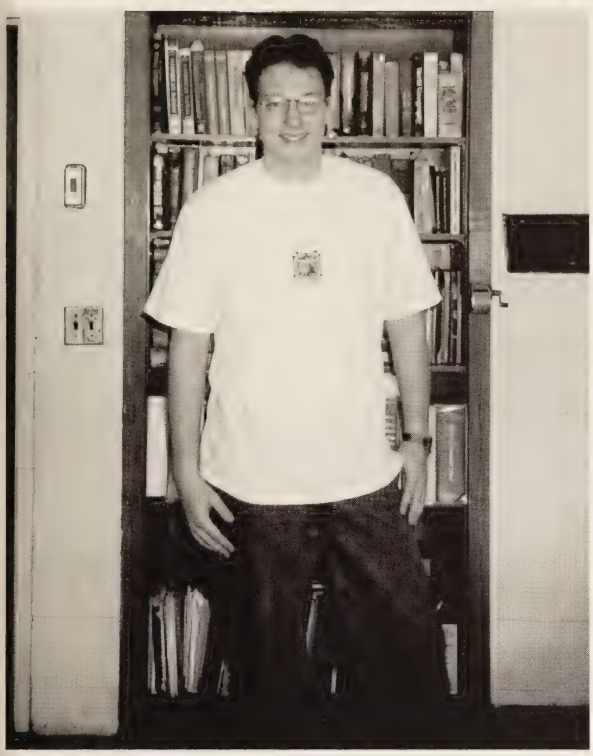
PVHS's Foreign Exchange Student



Max Junghanns

Max learns about U.S. government with his pals in 5th period.

Powell Valley had the privilege of welcoming one foreign exchange student. Max joined us from Germany at the beginning of the year. Ryan Whitt and her family served as the host family for Max. Just as Max learned about American culture, the students learned about the German ways of life. Max got a taste of Viking football as he joined the team when he arrived. He also played with the tennis team. It was an honor to have Max at Powell Valley High School. The students and staff hope Max enjoyed his stay.
